THE

'BAG-MAN':

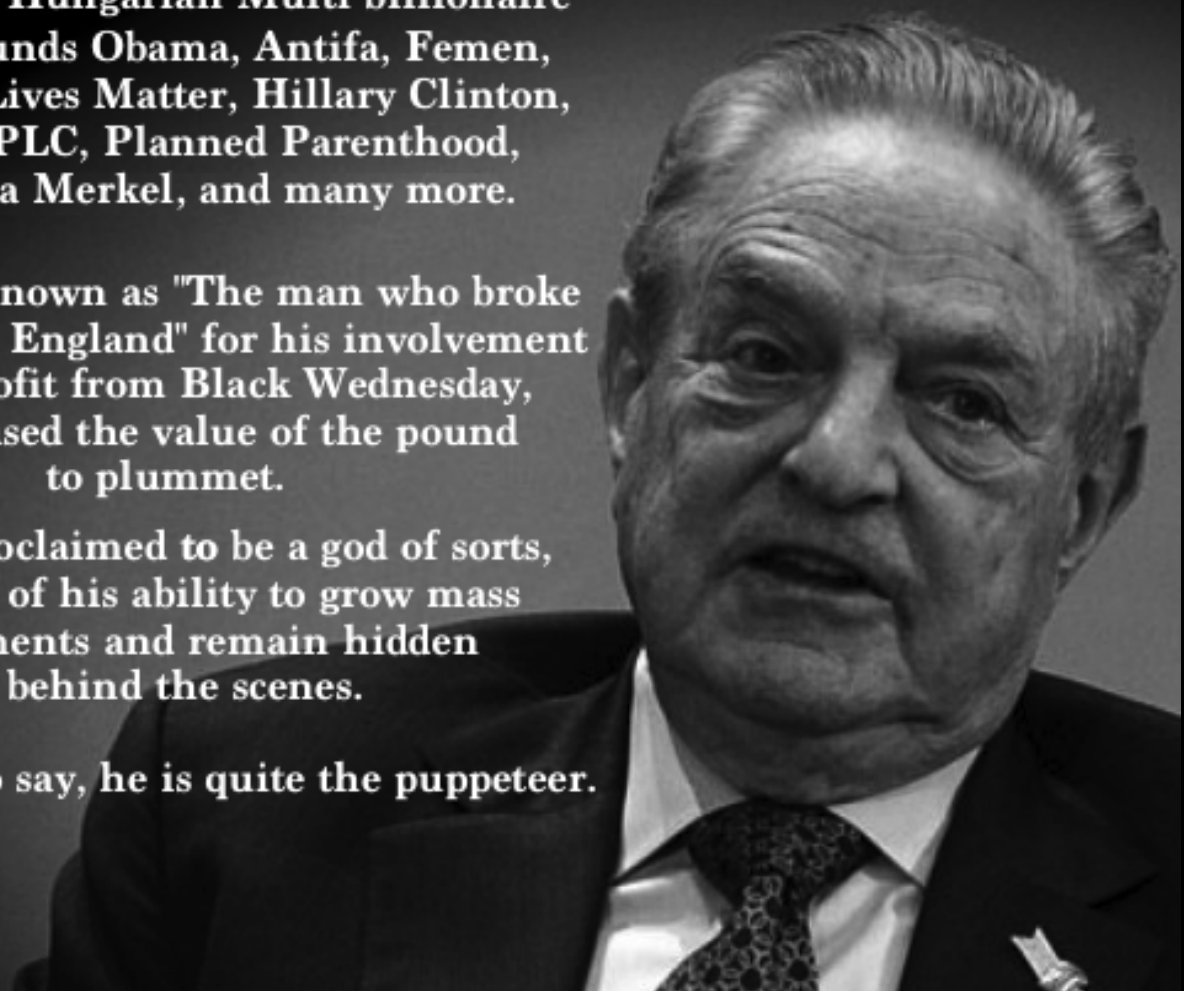

This man is George Soros.

He is a Hungarian Multi billionaire who funds Obama, Antifa, Femen, Black Lives Matter, Hillary Clinton, the SPLC, Planned Parenthood, Angela Merkel, and many more.

He is also known as "The man who broke The Bank of England" for his involvement in, and profit from Black Wednesday, which caused the value of the pound to plummet.

He has proclaimed to be a god of sorts, because of his ability to grow mass movements and remain hidden behind the scenes.

Needless to say, he is quite the puppeteer.

The Plan

"Today Americans would be outraged if U.N. troops entered Los Angeles to restore order; tomorrow they will be grateful! This is especially true if they were told there was an outside threat from beyond whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will pledge with world leaders to deliver them from this evil.

The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government."

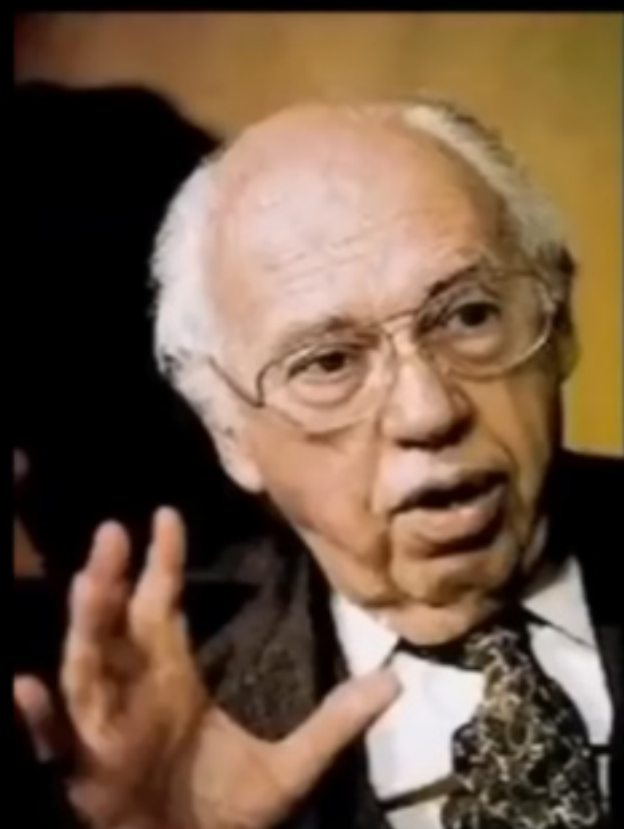

- Henry Kissinger in an address to the **Bilderberg meeting at Evian**, France, May 21, 1992.

I'm George Soros.

As a boy, I helped the Nazis confiscate property from Jews. When asked about it, my response was: "...I had no sense of guilt."

I am Hillary Clinton's top campaign contributor.

Alexander Soros, son of George Soros, & Kamala Harris are pictured here after their final interview in Biden's VP vetting process. "This was the moment," Soros said, "when I decided she would be the pick. I told my dad and he agreed. The rest was just a formality." George Soros through his son is hand picking our next VP.

The Black Nobility

HE WARNED US

In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or unsought, by the military-industrial complex.

The potential for the disastrous rise of misplaced power exists and will persist. We must never let the weight of this combination endanger our liberties or democratic processes.

We should take nothing for granted. Only an alert and knowledgeable citizenry can compel the proper meshing of the huge industrial and military machinery of defense with our peaceful methods and goals, so that security and liberty may prosper together.

Dwight D. Eisenhower
President of the United States

AND SO DID HE...

"There's a plot in this country to enslave every man, woman and child. Before I leave this high and noble office, I intend to expose this plot."

- President John F. Kennedy
7 days before his assassination
