A Brief Look at Memorial Day May 31, 2021

For Those Who Gave Some, and Those Who Gave All...

August 31, 2021 U.S. Military Afghanistan Pullout

THE U.S. MILITARY HAS PURPOSEFULLY LEFT BEHIND HUNDREDS IF NOT SEVERAL THOUSAND AMERICAN CITIZENS AND COUNTLESS AFGHAN ALLIES

- U.S. COSTS TO DATE FOR THE WAR IN AFGHANISTAN, 2001-2021

ESTIMATED CONGRESSIONAL APPROPRIATIONS AND SPENDING:

TOTAL = \$2.261 TRILLION (That's \$2,261,000,000) in 20 Years

Source: Watson Institute of Brown University

The Associated Press reports that throughout those 20 years, over 172,000 people have died.

Since the start of U.S. military operations through to August 31 this year, 2,461 American service members have been killed in Afghanistan. An additional 3,846 American civilian contractors also lost their lives.

A total of 20,742 soldiers were wounded from the conflict, many of whom now live with permanent disabilities, according to the U.S. Department of Defense Casualty Status report.

These figures of course pale in comparison to the 66,000 Afghan national military lives lost or the 47,245 Afghan civilians.

And what did America and the American Taxpayers get for their money?...

U.S. Military Casualties in Afghanistan (as of Aug 31, 2021):

- 2,461 U.S. Military Deaths
 - 20,742 U.S. Military Wounded
- Source: U.S. Department of Defense

Additional Cost of American's Lives:

- 3,846 U.S. civilian contractors
- 30,177+ U.S. service members and veterans of the post-9/11 wars have died by suicide (...and still counting).

Additional Afghanistan War Deaths:

- 66,000 Afghan national military and police
- 47,245 Afghan civilians
- 1,144 Other allied service members from NATO states
- 444 Aid workers
- 72 Journalists

(Should we now recite how many people died in the Vietnam War?)

The U.S. Military also Purposefully Left over \$90 Billion Dollars worth of American Taxpayer-funded Military Equipment of All Types turned over Like a '9/11 Gift' to the Brutal Taliban Islamic Terrorists

Medical Bombshell: Pfizer Vaxx Attacks Human Blood Creating Clots Under Microscope

Oct 26, 2021 - Highly respected medical doctor and inventor, Richard Fleming, has released a 32-minute detailed presentation documenting his shocking findings. In late 2020, before the Pfizer shot had even been rolled out, top scientists and experts around the world warned the Pfizer and Moderna shots posed extreme risk of causing blood clots, myocarditis and other cardiovascular problems. One year later, Pfizer and Moderna have been forced to issue warnings confirming their controversial MRNA vaccines can indeed cause a long list of problems not just limited to the cardiovascular system. Now, research scientist, Dr. Richard Fleming, has tested the Covid-19 Pfizer vaccine on fresh human blood samples in-vitro and made a string of nightmare discoveries confirming the medical community's findings. The Plan

"Today Americans would be outraged if U.N. troops entered Los Angeles to restore order; tomorrow they will be grateful! This is especially true if they were told there was an outside threat from beyond whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will pledge with world leaders to deliver them from this evil.

The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government."

- Henry Kissinger in an address to the **Bilderberg meeting at Evian**, France, May 21, 1992.

Here we have a collaboration between the U.N., the Fascist E.U., and Communist China to rule the World as a group of cartels working together aided by Big Corporate Media, Big Tech, Big Finance & Big Industry.

"We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a **world government**. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries." - David Rockefeller

9/11/2001 Never Forget

Every informed person is aware that elements of the US government were involved either in the perpetration or a coverup of the 9/11 attacks.

Although the United States is allegedly a democracy with a rule of law, it had taken 17 years for public pressure to bring about the first grand jury investigation of 9/11. Based on the work of Architects & Engineers for 9/11 Truth led by Richard Gage, first responder and pilots organizations, books by David Ray Griffin and others, and eyewitness testimony, the Lawyers' Committee for 9/11 Inquiry has presented enough hard facts to the US Attorney for the Southern District of New York to force his compliance with the provisions of federal law that require the convening of a federal grand jury to investigate for the first time the attacks of September 11, 2001.

THAT WE HAVE ALSO ALLOWED THIS TO HAPPEN

In the U.S. since 1973 Roe vs. Wade

Over 63 Million American babies have been slaughtered in the United States alone since 1973, and still counting.

- 1 out of every 66 deaths in the WORLD is an American abortion.
- 1 out of every 4 deaths in America is an American Abortion.
- Half of the deaths in the World are from abortions. Worldwide its over 1.627 Billion, and still counting.
- Abortion is the leading cause of death in the world. It kills as many people as ALL of the other causes of death combined.
- We have lost more Americans through abortions (64 times more) than we did in all of our wars (12 wars) combined.
- The D-Day invasion of France (WWII) was the bloodiest day in history. There were 53,714 allied soldiers killed in the "Battle of Normandy." Yet, our World kills more people than that in just 9 hours through abortions.
- America has lost 589 soldiers in its first year of fighting in the Iraq War. The World, however, kills more people than that in just 6 minutes through abortions.
- We have allowed the commoditization of human beings
- We have allowed the creation of a lucrative and flourishing market for Human Baby body parts, organs, and fetal tissues
- We have allowed the corruption of our entire medical system now from cradle to grave
- And now they are even 'training us' to 'commoditize' ourselves!

IT'S TIME 'WE THE PEOPLE' SAY "NO MORE!!"

"A free people ought not only to be armed and disciplined, but they should have sufficient arms and ammunition to maintain a status of independence from any who might attempt to abuse them, which would include their own government."

this day, to-wit: Monday, Tuesday, Wednesday, Thursday, Friday, and Saturday at *Hollywood* in
the county of *Los Angeles*, State of *California*, the undersigned, *Colonel Aaron Ogden*, for the purpose of receiving the enrollment of
such youth of spirit, as may be willing to enter into this honourable service.

The ENCOURAGEMENT at this time, to enlist, is truly liberal and generous, namely, a bounty of TWELVE dollars, an annual and fully sufficient
supply of good and handsome clothing, a daily allowance of a large and ample ration of provisions, together with SIXTY dollars a year in gold
and SILVER money on account of pay, the whole of which the soldier may lay up for himself and friends, as all articles proper for his subsistence and
comfort are provided by law, without any expense to him.

Those who may favour this recruiting party with their attendance as above, will have an opportunity of hearing and seeing in a more particular
manner, the great advantages which these brave men will have, who shall embrace this opportunity of spending a few happy years in viewing the
different parts of this beautiful continent, in the honourable and truly respectable character of a soldier, after which, he may, if he pleases return
home to his friends, with his pockets full of money and his head covered with laurels.
