

GRASSROOTS ORGANIZING ON THE COUNTY LEVEL

ORGANIZING begins with one person taking the initiative to get things going by finding one other person and then another and another until you have four people willing to hold or temporarily hold the following executive positions;

- Chairman
- Co-chairman
- Treasurer
- Secretary

In the beginning you should meet somewhere convenient for coffee on a Saturday morning or evening after work to start discussing ideas. Continue meeting off the fly at least once a week for twenty minutes or more until you have these four positions filled. Once you organize the aforesaid executive committee find a venue in your county that is centrally located making it convenient for all to travel to, libraries and town halls are best.

VENUE IDEAS:

- Library
- Town hall
- Private club
- Back room of a bar, restaurant, or dinner, etc.
