PLEASE READ FIRST:

Our government has become highly corrupted by the very people that we have held 'in the Public Trust'.

We do not ask for your money. All we ask for is for you to **JOIN THIS FIGHT** with us to help save Our Republic, Our Liberty, and the lives of your families, your children, and your fellow citizens for generations to come by helping us to make people aware of the consequences of complacency, and non-involvement in allowing this corruption to continue and grow by sharing these materials far and wide!...

You can join the fight for Our Freedom, Liberty, and to Save Our Republic by sharing this information with everyone you can via word of mouth, email, texts, posting to your social media and websites, and by having these cards and booklets printed, handing them out, and helping us spread this critical information to as many people and organizations as possible, and please encourage them to do the same!

Promotional Cards:

The enclosed are several images in both graphic (jpg) and document (pdf) for that you can have printed as business-card-sized promotional cards. You have your choice to print the USCLE card on side-1 and the CAN! card on side-2, or print the GFTV (GlobalFreedomTV.com) card on side-1 and the CAN! card on side-2. You can use either the pdf document files or the jpg image files, whichever you prefer and will work best for the printer. Have these printed as two-sided back-to-back, bleed-edge cards that you can distribute freely while you still have the Freedom to do so! And, as a cost-effective example: You can have 250 double-sided cards printed up in-house at Staples that will only cost about \$25.

Educational Booklets:

The booklet consists of four 8.5 x 11" sheets printed back-to-back which makes 8 pages back-to-back for a total of 16 images from cover to back side. You can have these printed (preferably in color—but even black-and-white-‘gray scale’ to save money but still spread the information), and put together, folded in half, and center stapled using the hash marks on the center of the cover/back-page sheet as guides.

THANK YOU, AND PLEASE SERIOUSLY CONSIDER HELPING US TO SAVE OUR COUNTRY...

AND OUR FUTURE!...
